Interschool Winter Sports
Friday 26th at Cobram vs Cobram 1pm start
Next week Friday 2nd at Nathalia vs St Francis

From the Principal's desk.

The cold weather has certainly hit, and along with it we are seeing a rise in the number of coughs, colds, and flu infections. There have been many students away due to illness. We remind families to use Rapid Antigen Tests if cold/flu symptoms present and to keep students at home until symptoms subside and they are well enough to attend school. There are plenty of test kits available at the front office. If your child/children do need to be away for any reason, please upload their absence onto Compass or contact the office.

AFL Clinic

Our students had a blast on Monday when they participated in the AFL Primary Play Clinic. This clinic is a Curriculum linked school program, provided free of charge from the AFL and delivered by a trained coach. Students will have their second session next Monday.

Telephone System

Next week, our new telephone system will be installed. This includes installing phones into some of the classrooms and various areas around the school. However, this change over may mean our school phone could be down for a few days or that we will need to use a different number until everything is finalised. Please keep an eye out on our Facebook page or Compass over the next week for any changes.

Swimming

Reminder, that we still have many families that have not returned the swimming permission form. Swimming will take place in Week 7 at Aqua Moves and is part of the Physical Education Curriculum. If you need support or assistance to fill out the form, please ring Leanne at the office.

Thank You

Jo Paton
