NAPLAN Results

NAPLAN results for our Grade 3 and 5 students are available to be picked up from the office. If you are unable to pick them up, they will be posted home next week. An explanation page is provided to assist parents/carers in understanding the NAPLAN 2023 results. Results will be shared with the wider community in the next few months.

Curriculum Day Monday

Please be aware that we have a Curriculum Day on Monday 31st July. This day will be used as a Professional Development Day for all staff, with a focus on writing and improving teacher practice. No students are to be at school Monday.

Assembly

This term, due to the BER being used as a classroom and the weather being unpredictable and too cold to be outside, we will deliver Monday Assembly online through Webex. Parents are encouraged to come along and watch in the classrooms. The assemblies will be run by our Grade 6 Leaders.

School Uniform

I'd like to remind all parents and guardians that our school policy requires students to wear our school approved jumper. Please make sure all jumpers are clearly named, helping us to ensure lost jumpers are returned to their rightful owners. If you require to purchase a school jumper, they are available at the school office.

Prep Enrolments for 2024

We are accepting Enrolments for Prep 2024. Enrolment applications are due Friday 28 July 2023, we ask parents/carers to submit their completed application to us by this date either online through the Insight Portal or by the Enrolment form.

Thank You

Jo Paton

Our students have been participating in the Zones of Regulation program, here are some key points:

- All Zones are Ok!
- Everyone experiences all of the zones at different times
- We can't change the way our children feel, but we can change the way they respond to their feelings
- You can be in more than one zone at a time

Ask your children about it, they are becoming experts!
