chocolate, Juice, Margarine & Strawberry Jam
BREAKFAST CLUB on again this Friday.

Don't forget to check out the
Father's Day video either on the
website or the facebook page.

Awesome work Tam.

FAMILY MATHS PROBLEM

Here's a little problem to see if you can solve as a family.

There are three baskets, a brown one, a red one and a pink one. Altogether they hold a total of ten eggs.

The brown basket has one more egg in it than the red basket.

The red basket has three fewer eggs, than the pink basket.

How many eggs are in each basket?

From the Principal's Desk

Hi Everyone,

The Premier announced today that all Victorian schools will continue with remote/flexible learning until the end of the school term (September 17th). A decision about a return to onsite learning for Term Four will be made at a later date.

We were all hoping for better news, but the numbers in the current outbreak (particularly the mystery cases) have been high enough to force an extension of the restrictions.

The staff have been doing a great job of presenting their daily lesson videos, as well as providing an accompanying workpack and a daily class Zoom meeting. They will continue to do so, for the remainder of the term.

If your child is really struggling with the home learning and you're also struggling with the level of support you can give them, please feel free to contact me at school (58 745295) to discuss how we can help you.

All parents/carers - remember to wear a mask and to check-in using the QR codes at the entrance, We would also ask that all parents/carers check in at the office.

REMOTE AND FLEXIBLE LEARNING.

We will continue with the same routine of delivering and collecting workpacks that we put into place this week. That means the new week's workpack can be picked up from Leanne at the office from 8:00am on a Monday morning, with the completed workpack to be returned Thursday afternoon by 2:30pm. For those students who are bus travellers, we will drop off your workpacks at your front gate, between 8:30-9:30, on Mondays, and pick up the completed packs (please put them out by 1:30pm) on Thursday afternoon.

NAPLAN RESULTS.

On Tuesday we received the 2021 NAPLAN results for our Year 3 and 5 students, which the staff and I will analyse over coming days. The individual student reports should arrive in the near future, for us to then deliver to you.

2/3 SLEEPOVER

Unfortunately, the Year 2/3 sleepover will not be held on Friday, 10th September. Hopefully we can set a date in Term Four.

FATHERS' DAY

A big thankyou to Leanne, for 'thinking outside the box' and organising the Fathers' Day stall, so the students didn't miss out on getting a present for Dad. I would like to wish all our Dads a very **Happy Fathers' Day**.

Geoff Weppner

Principal.
