

“
Does TIBA look forward to seeing our friends and peers at PIE 2021 in Dallas?
”

Of Course We Do!

The TIBA Parking Systems family couldn't be more excited to take yet another step in the long journey back to normal, post-pandemic activities by attending the Parking Industry Expo, July 18-21, in Dallas, TX.

After over a year of cancelled events and living life virtually, we can't wait to be face-to-face with our industry friends and colleagues to interact like we used to. We'll be exhibiting at the conference, and are eager to show you the technology innovation we've been working on to drive flexibility and the Engaged Parking Experience in your facilities.

So, visit us at Booth 127!

We can't wait to see you at the Gaylord Texan next week.

Check Us Out at **BOOTH 127** for:

- SmartPark Technology demos to drive more value in your facilities,
- PARCS best practices insights,
- Latest TIBA partner ecosystem updates,
- Celebratory Happy Hour at the booth on Monday and Tuesday! Hosted by TIBA Parking and HUB Parking

Fast. Flexible. Credible.
It's the TIBA way!
