The Subchapter M Survey Training Course is based on the requirements of 46 CFR 137.210 and 46 CFR 137.215. This course is designed as an introduction to 46 CFR 137.220, Scope of the Survey. This is only the classroom part of survey qualifications. Taking this course does NOT qualify an individual to conduct surveys.

The Internal Auditor Course is an approved U.S. Coast Guard ISO 9001 recognized equivalent course which meets the Internal Auditor requirements of Subchapter M. It is designed for individuals responsible for the auditing of Towing Safety Management Systems for marine companies and their vessels.

If you are interested in participating, please make your selection for the course(s), fill in your information below, and email the form back to tpo@sabinesurveyors.com. If you have any questions, please contact Robert Keister at 504-655-5321.
