CHAMPAGNE

Grand Cru

Jour 2

Chardonnay à Avize Le Couchant

Introduction

The Odyssey keeps on moving by highlighting northern lieux-dits in Avize: Le Couchant (ie the setting sun side of Avize).

A second face of the heart of the terroir, gently hilly between Avize and Cramant.

Avize du Couchant

Latitude : 48.978562

Longitude : 4.010675

Aromatic

Rich aromas of fruits and maturity melt into the fine bubbles to give elegance and depth to our new cuvée made from Avize.

Characteristic of our chalky area, a beautiful freshness supports the tasting and slowly fades into salty and sweet notes.
