

CHAMPAGNE ODYSSÉE

Avize Le Couchant

The Odysée continues north of the village of Avize, where the slopes soften between Avize and Cramant. Le Couchant reveals another facet of the terroir, more undulating, more subtle, yet just as essential to the identity of the cru.

Here, the chalk expresses itself with finesse, offering a wine of crystalline freshness.

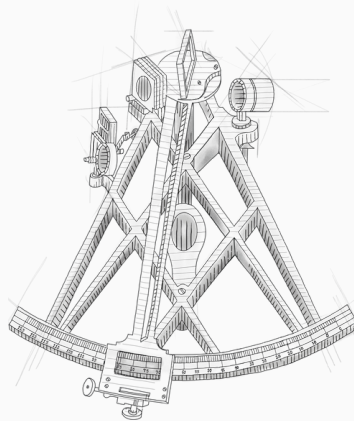

Ripe aromas of white and yellow fruits blend with a delicate effervescence, bringing serene elegance and luminous depth to this Avize Couchant cuvée.
