

# GLA Sport Utility Vehicle

Mercedes-Benz

The GLA. Always restless.

## More character at every glance.

Curiosity and a thirst for adventure are literally written all over the new GLA.  
With its striking radiator grille and impressive bumper it now radiates even more power.

## Enhance comfort by 360 degrees.

Whether parking or manoeuvring – four networked cameras optionally provide a realistic all-round view. For fewer worries and more impressions.

# Letting go. And staying perfectly connected.

Enjoy solitude and at the same time share with everyone. You can optionally integrate your smartphone perfectly in the GLA. Many functions and apps can be optimally controlled and displayed.

## Loading plenty.

From shopping spree to long journey – the GLA is ready for any adventure. Optionally, you can open the load compartment at the touch of a button or even with a kicking motion.

## Discovering even more.

## Mercedes-Benz Intelligent Drive.

In the rush hour, during a long drive at night or on an unfamiliar route – your GLA noticeably takes the strain out of driving, particularly in stressful situations. It's all down to a concept that makes every journey in a Mercedes-Benz a safer and exceptional experience: Mercedes-Benz Intelligent Drive. Because the time you spend behind the wheel is your time. Time for relaxation. Time to replenish your energy. So that, first and foremost, you reach your destination safely, but are also always relaxed when you get there.

### GREATER SAFETY AT NIGHT

In addition to their distinctive visual appeal, the LED High Performance headlamps boost night-time driving safety thanks to broad light distribution, a daylight-like colour temperature, and low energy consumption.

The PRE-SAFE® system. This optional system is able to identify critical handling situations in advance and initiate preventive occupant protection measures in the event of an impending accident.

## Parking package with 360-degree camera.

Active Parking Assist with PARKTRONIC makes it easier to find and select a parking space as well as to enter or leave parallel and end-on parking spaces or garages. Active Parking Assist with 360-degree camera transfers a realistic image to the media display, thus providing support when parking and manoeuvring.

## Active Braking Assist.

This system gives the driver a visual warning if the distance to the vehicle in front is too small. If the danger of a collision is detected, an acoustic warning signal is emitted; thereafter, the driver's braking action can be supported, and if the driver does not react, the vehicle speed can be autonomously reduced.

## Night Package.

The Night Package for the exterior lends the vehicle a sporty and expressive character with striking equipment features. These include selected black design features – from the radiator grille’s two louvres to exterior mirrors and light-alloy wheels as well as a simulated underride guard.

## Load Compartment Package.

The Load Compartment Package creates even more space, tidiness and safety. The rear seat backrests can be tilted forwards at a 15-degree steeper angle (cargo position), to increase the load capacity. A locking loading floor with chrome-plated handle underlines the high-quality impression.

## KEYLESS-GO Convenience Package.

With the KEYLESS-GO Convenience Package, doors open and the engine starts without having to take the key out of your pocket. It could not be more convenient.

The HANDS-FREE ACCESS function allows contactless, fully automatic opening of the EASY-PACK tailgate.

## Smartphone Integration Package.

This package allows compatible smartphones with the corresponding operating system to be integrated into the vehicle via Apple CarPlay™ and Android Auto, and to be operated by voice command, for example. The system supports the most important applications and selected apps including navigation.

## Standard equipment and appointments.

The strikingly sporty attributes span exterior and interior equipment items, such as bumpers with simulated underride guard, a radiator grille with two silver-coloured painted louvres, comfort seats and a 3-spoke multifunction steering wheel.

## The Style design and equipment line.

The Style design and equipment line features high-quality highlights on the interior and exterior, one example being the use of chrome (radiator grille, shoulderline trim strip, boot sill) and leather (steering wheel and gearshift lever). A special design feature is the special “Macapá” upholstery pattern, featuring bold topstitching.

## The Urban design and equipment line.

The Urban design and equipment line significantly boosts the car’s sporty charisma. Examples include integrated tailpipe trims or dynamic 18-inch light-alloy wheels. Sports seats or the leather multifunction steering wheel with additionally perforated grip areas continue the theme.

## The AMG Line.

The AMG design and equipment line combines perfectly matched elements to further enhance the vehicle’s sportiness and exclusivity – from the dynamic AMG bodystyling with AMG light-alloy wheels through the suspension with ride height lowered by 15 mm to the multifunction sports steering wheel.

## DYNAMIC SELECT. Many options for your very personal GLA experience.

The GLA is in its element cruising around bends, kicking up dust and always ready for new adventures. Its many attributes can be further enhanced at the touch of a button.

### DYNAMIC SELECT AT A GLANCE

Comfortable, sporty, efficient or entirely individual vehicle settings of the Mercedes-Benz GLA can be conveniently called up with the DYNAMIC SELECT switch.

## 4MATIC all-wheel drive – supreme traction.

Apart from driving all four wheels as required, 4MATIC all-wheel drive also spurs the GLA's driver on to fresh aspirations, remote spots, solitary coves. The all-wheel drive is available for many engine variants to make driving noticeably safer and more dynamic, and not just on rough terrain.

### SUPREME TRACTION AT A GLANCE

# Life without performance? Unthinkable.

Every Mercedes-AMG is a masterpiece in its own right, with an unmistakable character. What unites our performance vehicles and sports cars is their irrepressible sporting spirit. Their passion for top performance. It is generated at the point where engineering skill meets a very special attitude: the spirit of AMG. We believe that you have to keep on challenging limits in order to achieve new goals. We accept nothing as a given. Because limits are imposed by people, and it's also people who can overcome them. It's this attitude that enables us to achieve outstanding performance for the race track – and for the road.

Welcome to the world of AMG.

The best for the engine:  
Mercedes-Benz genuine engine oils.

<sup>1</sup> Information about the rated output according to Regulation (EC) No. 715/2007 in the currently valid version.   <sup>2</sup> Available temporarily.   <sup>3</sup> Electronically governed.   <sup>4</sup> The stated figures were determined according to the prescribed measurement method. They constitute the "NEDC CO<sub>2</sub> figures" pursuant to Art. 2 No. 1 of Implementing Regulation (EU) 2017/1153. Fuel consumption figures have been calculated on this basis. More information about the official fuel consumption and the official specific CO<sub>2</sub> emissions of new passenger cars is available in the publication entitled "Leitfaden über den Kraftstoffverbrauch, die CO<sub>2</sub>-Emissionen und den Stromverbrauch neuer Personenkraftwagen" ["Guidelines concerning the fuel consumption, CO<sub>2</sub> emissions and electricity consumption of new passenger cars"], available free of charge at all retailers and from Deutsche Automobil Treuhand GmbH (www.dat.de). The figures are not based on an individual vehicle and do not constitute part of the product offer; they are provided solely for purposes of comparison between different vehicle models. The figures will vary according to the optional equipment selected.   <sup>5</sup> Information only valid within the European Union. May vary from country to country.   <sup>6</sup> Determined on the basis of the measured CO<sub>2</sub> emissions, taking into consideration the vehicle mass. Only valid for Germany.   For more technical data, please visit [www.mercedes-benz.com](http://www.mercedes-benz.com)

Dimensions.

All figures in millimetres. The illustrated dimensions are mean values. They are valid for vehicles in basic specification and in unladen condition.

# SPORT — F O R — GOOD

Mercedes-Benz is one of the founding partners of the worldwide “Laureus Sport for Good Foundation”, which was established in 2000. It is the Mercedes-Benz brand’s most important social initiative. Laureus Sport for Good supports children and young people in need through social sports projects, opening up new perspectives and imparting important values such as team spirit, respect and determination. “Change the Game for Kids” is our mission statement which we wish to share with you. In buying a Mercedes-Benz you are supporting the “Laureus Sport for Good” movement.

**Please note:** changes may have been made to the product since this brochure went to press (21.08.2018). The manufacturer reserves the right to make changes to the design, form, colour and the product specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories

and items of optional equipment which are not part of standard specification. This publication is distributed internationally. However, information regarding statutory regulations, legal requirements and taxation and the consequences thereof applies to the Federal Republic of Germany only and is correct at the point of the editorial deadline. For current and more specific information, please contact your nearest authorised Mercedes-Benz sales partner.
