THE LEXUS NX

FOR WHAT'S NEXT

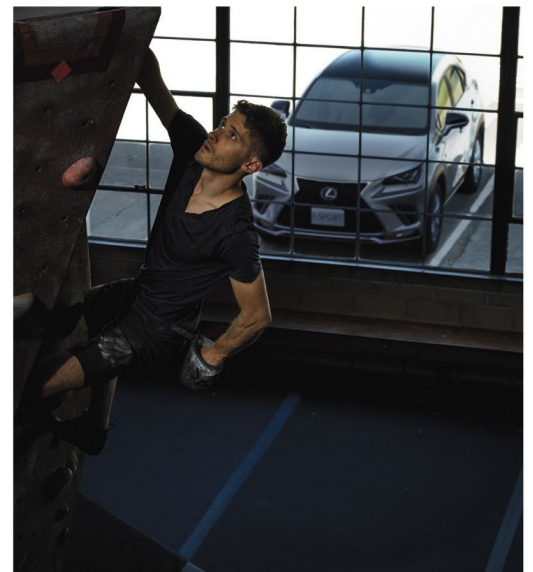

There are those who finish at the line and there are those who keep racing well beyond it. Growing up never meant slowing down so continue to pursue all goals and indulge all passions in the Lexus NX. A crossover with superb urban driving performance complemented by a strong and distinctive form, intuitive functionality, imaginative technology, and elegant Takumi craftsmanship. The NX is perfect for those who forge ahead past the face of triumph.

PREMIUM URBAN SPORTS MOVER

The Lexus NX drives individuality and initiates exhilarating experiences in daily urban living.

The core concept embodied by the NX is 'Premium Urban Sports Mover' – a next-generation Lexus that injects urban attitude into luxury SUVs. With next-level technologies, next-gear environmental performance, and next-stage specifications unique to the Lexus brand, the Lexus NX enhances one's quality of life by providing versatile features to answer the needs of a distinctly urban lifestyle.

DRESSED TO FINESSE

Strut into the NX and breathe in its refreshed, modernized interior. Find the inside elegantly styled with perforated leather-trimming augmented by innovative technology including dual-zone climate control, a 10.3-inch high-resolution Electro Multi-Vision display with Navigation¹, and, Apple Carplay™ & Android Auto™.

The NX is also fitted with a hands-free power rear door for convenient travel as well as advanced active and passive protection measures that ensure passenger safety and security. This Lexus crossover offers unique, refined solutions to answer the demands of every day city life when it comes to activity, mobility, comfort, and design.
