Ready to be Spontaneous with a Sophisticated look

Featuring minimalist, modern design that stealing everyone's attention at first glance.

From Light Cluster

The projector halogen headlamp is placed low, hidden within the air intake vents along with the embossed lines on the hood, bringing a modern, robust and personality-filled appearance.

Front of the Car

The front of the car features VinFast's distinctive design with a V-shaped form, extending to both sides. The front does not have a radiator grille as it does not use an internal combustion engine that generates heat like traditional gasoline vehicles.
