VF6

Design Philosophy The Duality of Nature

The VF 6 smart electric vehicle features a modern and sophisticated design, crafted by top designers from the famous Torino Design Studio. Inspired by Duality of Nature's principles, every element of the VF 6 is carefully balanced in a harmonious whole, to create a seamless blend of human connection and technology. Built for young families who genuinely care about environmental sustainability.

Side Mirrors with
Integrated mirror heating*

Automatic Headlights with
Smart Beam Angle Control*

Signature Daytime
Running Light

*** Available on VF 6 PLUS Trim**

Overall Length: 4,241 MM

Width:
1,834 MM

Height:
1,580 MM

Wheelbase: 2,730 MM

The extended wheelbase and compact body panels optimize interior space and enhance the driving experience.

The **HUD Display** enhances the modern driving experience, improving focus and increasing driver safety.

Interior Space

Comfortable,
ergonomic,
and blended luxury
with technology.

12.9-inch Infotainment screen Display,
Integrated with smart features, providing a complete
entertainment experience and easy vehicle control.

Dual-Zone Automatic Climate Control,
Includes cabin air filtration - Combi 1.0, delivering
fresh interior air and promoting health*

Electronic Gear Shifter, inspired with sleek
piano-style buttons for an elegant driving experience.
