### **POLICIES AND PROCEDURES**

#### FOR FERAL CARETAKERS FOR TRAP/NEUTER/RELEASE (TNR)

- The feral package is \$50 and includes:
  - Spay/Neuter Surgery
  - Injection of 24-hour pain medication
  - 1-year rabies vaccine
  - Feline distemper
  - Ear Tip
- The only additional service we will allow to add on is a microchip for \$10
- No other services will be offered
  
- Triple R trappers get a different package and are billed through Triple R. Triple R trappers should arrange surgery through Triple R and NOT come on these days.
  
- We will accept feral cats every **Monday and Tuesday**
  - No reservation required, first come first serve, curbside check-in
  - First 6 cats ONLY
  - No more than 2 cats/traps per person
  - Ferals must be brought in between 7:00 - 7:30 AM
  - We **CAN NOT** accept any arrivals past 7:30 AM
  - We **CAN NOT** accept more cats than we have space for
  - We will have you fill out a Trapping admission form upon arrival
  - Please have ONE name prepared per cat
  
- Ferals **MUST** come in a **HUMANE TRAP**
  - Must be 1 cat per trap. This is for the emotional/physical safety of the cats and the clinic technicians during the sedation process
  - If 2 ferals come in 1 trap the ferals will not be accepted
  - Feral cats in carriers will not be accepted
