POLICIES AND PROCEDURES

FOR FERAL CARETAKERS FOR TRAP/NEUTER/RELEASE (TNR)

- The feral package is \$50 and includes:
 - Spay/Neuter Surgery
 - Injection of 24-hour pain medication
 - 1-year rabies vaccine
 - Feline distemper
 - Ear Tip
 - Microchip
- No other services offered
- **Triple R trappers get a different package and are billed through Triple R.**
- **Triple R trappers should arrange surgery through Triple R and NOT come on these days.**
- We will accept feral cats every **Monday and Tuesday**
 - No reservation required, first come first serve, curbside check-in
 - First 6 cats ONLY
 - No more than 2 cats/traps per person
 - Ferals must be brought in between 7:00 - 7:30 AM
 - We **CAN NOT** accept any arrivals past 7:30 AM
 - We **CAN NOT** accept more cats than we have space for
 - We will have you fill out a Trapping admission form upon arrival
 - Please have ONE name prepared per cat
- Ferals **MUST** come in a **HUMANE TRAP**
 - Must be 1 cat per trap. This is for the emotional/physical safety of the cats and the clinic technicians during the sedation process
 - If 2 ferals come in 1 trap the ferals will not be accepted
 - Feral cats in carriers will not be accepted

-Traps can be rented from us for a \$50 deposit

-Deposit refunded in full if returned undamaged within 30 days

-Limited number of traps available, please call or text ahead
