

PROGRAME

‘Compound Feed Forum 2026’

14:00–14:20 — Welcome Address by the Organisers

Presentation Topic: “Advancing Technologies and Professional Competencies in Compound Feed Production”

Bohdan YEHOROV, Founder of the International School of Feed, Doctor of Technical Sciences, Academician of the National Academy of Agrarian Sciences of Ukraine (NAAS), Professor of the Department of Grain and Compound Feed Technology, Honorary President of Odesa National University of Technology (UA).

14:20–14:40 — Presentation Topic: “Mycotoxin Challenges in Feed Production and Recommendations for Reducing Their Impact on Poultry Farming Economics”

Yurii BIRUK, YEDNIST’ GROUP (UA).

14:40–15:00 — Presentation Topic: “Metabolic Adaptation of the Modern Sow: From Scientific Questions to Practical Production Solutions”

Yurii SVYSTUN, Doctor of Veterinary Medicine, Vershyna Group of Companies (UA).

15:00–16:10 — Panel Discussion: “Resource Provision and Sustainable Development of Compound Feed and Livestock Production”

Presentation Topic: “The Role of Compound Feed in Poultry Production”

Anton SOROKUN, Poultry Expert, VITAGRO GROUP (UA).

Presentation Topic: “Feed Resources for Poultry and Livestock: Focusing on Processing”

Taras BARAN, Commercial Director, AGROPRODSERVICE (UA).

Presentation Topic: “Challenges in the Production of Protein Supplements for High-Quality Compound Feed”

Viktor FURDIYAKA, CEO, FORVARAGROTRADE (UA).

Presentation Topic: “Secrets of Compound Feed Formulation Optimisation”

Nina VORONA, Candidate of Technical Sciences, Associate Professor of the Department of Grain and Compound Feed Technology, Odesa National University of Technology (UA).

Presentation Topic: “Modern Quality Requirements for Feed Additives”

Yurii KOSENKO, Doctor of Biological Sciences, Professor, Deputy Director for International Cooperation and European Scientific Integration at the Research and Control Institute of Veterinary Preparations and Feed Additives (UA).

16:10–16:30 — Presentation Topic: “Ensuring Compound Feed Quality Through Traceability of Analyses: From Analysers to Formulation”

Oleksandr PLIEVIE, CEO, SocTrade Group of Companies (UA).

16:30–17:40 — Panel Discussion: “Technologies, Equipment and Feed Production Management”

Presentation Topic: “Equipment and Technology Reliability as a Key Factor in Profitable Compound Feed Production”

Andrii SHARAN, General Director, Bühler AG (CH).

Presentation Topic: “Using AI for Management Decision-Making: From Challenges and Risks to Speed and Reliability”

Ivan KUN, CEO, Interprojekt GmbH (DE).

Presentation Topic: “Competence Resources: The Realities of Modern Production Facilities”

Vitalii HUBARIEV, Head of the Western Hub, MHP PJSC (UA).

Presentation Topic: “The Application of Robotic Systems Amid Labour Shortages”

Viktor YEHOROV, Doctor of Technical Sciences, Chairman of the Supervisory Board of Qweedo Robotics, Deputy Director of the Institute of Applied Management Systems of the National Academy of Agrarian Sciences of Ukraine (UA).

17:40 — Closing of the Forum
