

**cigaruba**

Aruban  
Edition

due to its founder broad experience and origins, cigararuba company was created with the best spirit to see a good and affordable tobacco being born but at the same time it needed to be refined, good looking and with a variety of styles to be brought to every consumer in the market trying to find something unique. cigararuba is focused on the search for the tobacco refinement to obtain a singular, well structured and tasteful cigar.
