БИШІВСЬКА

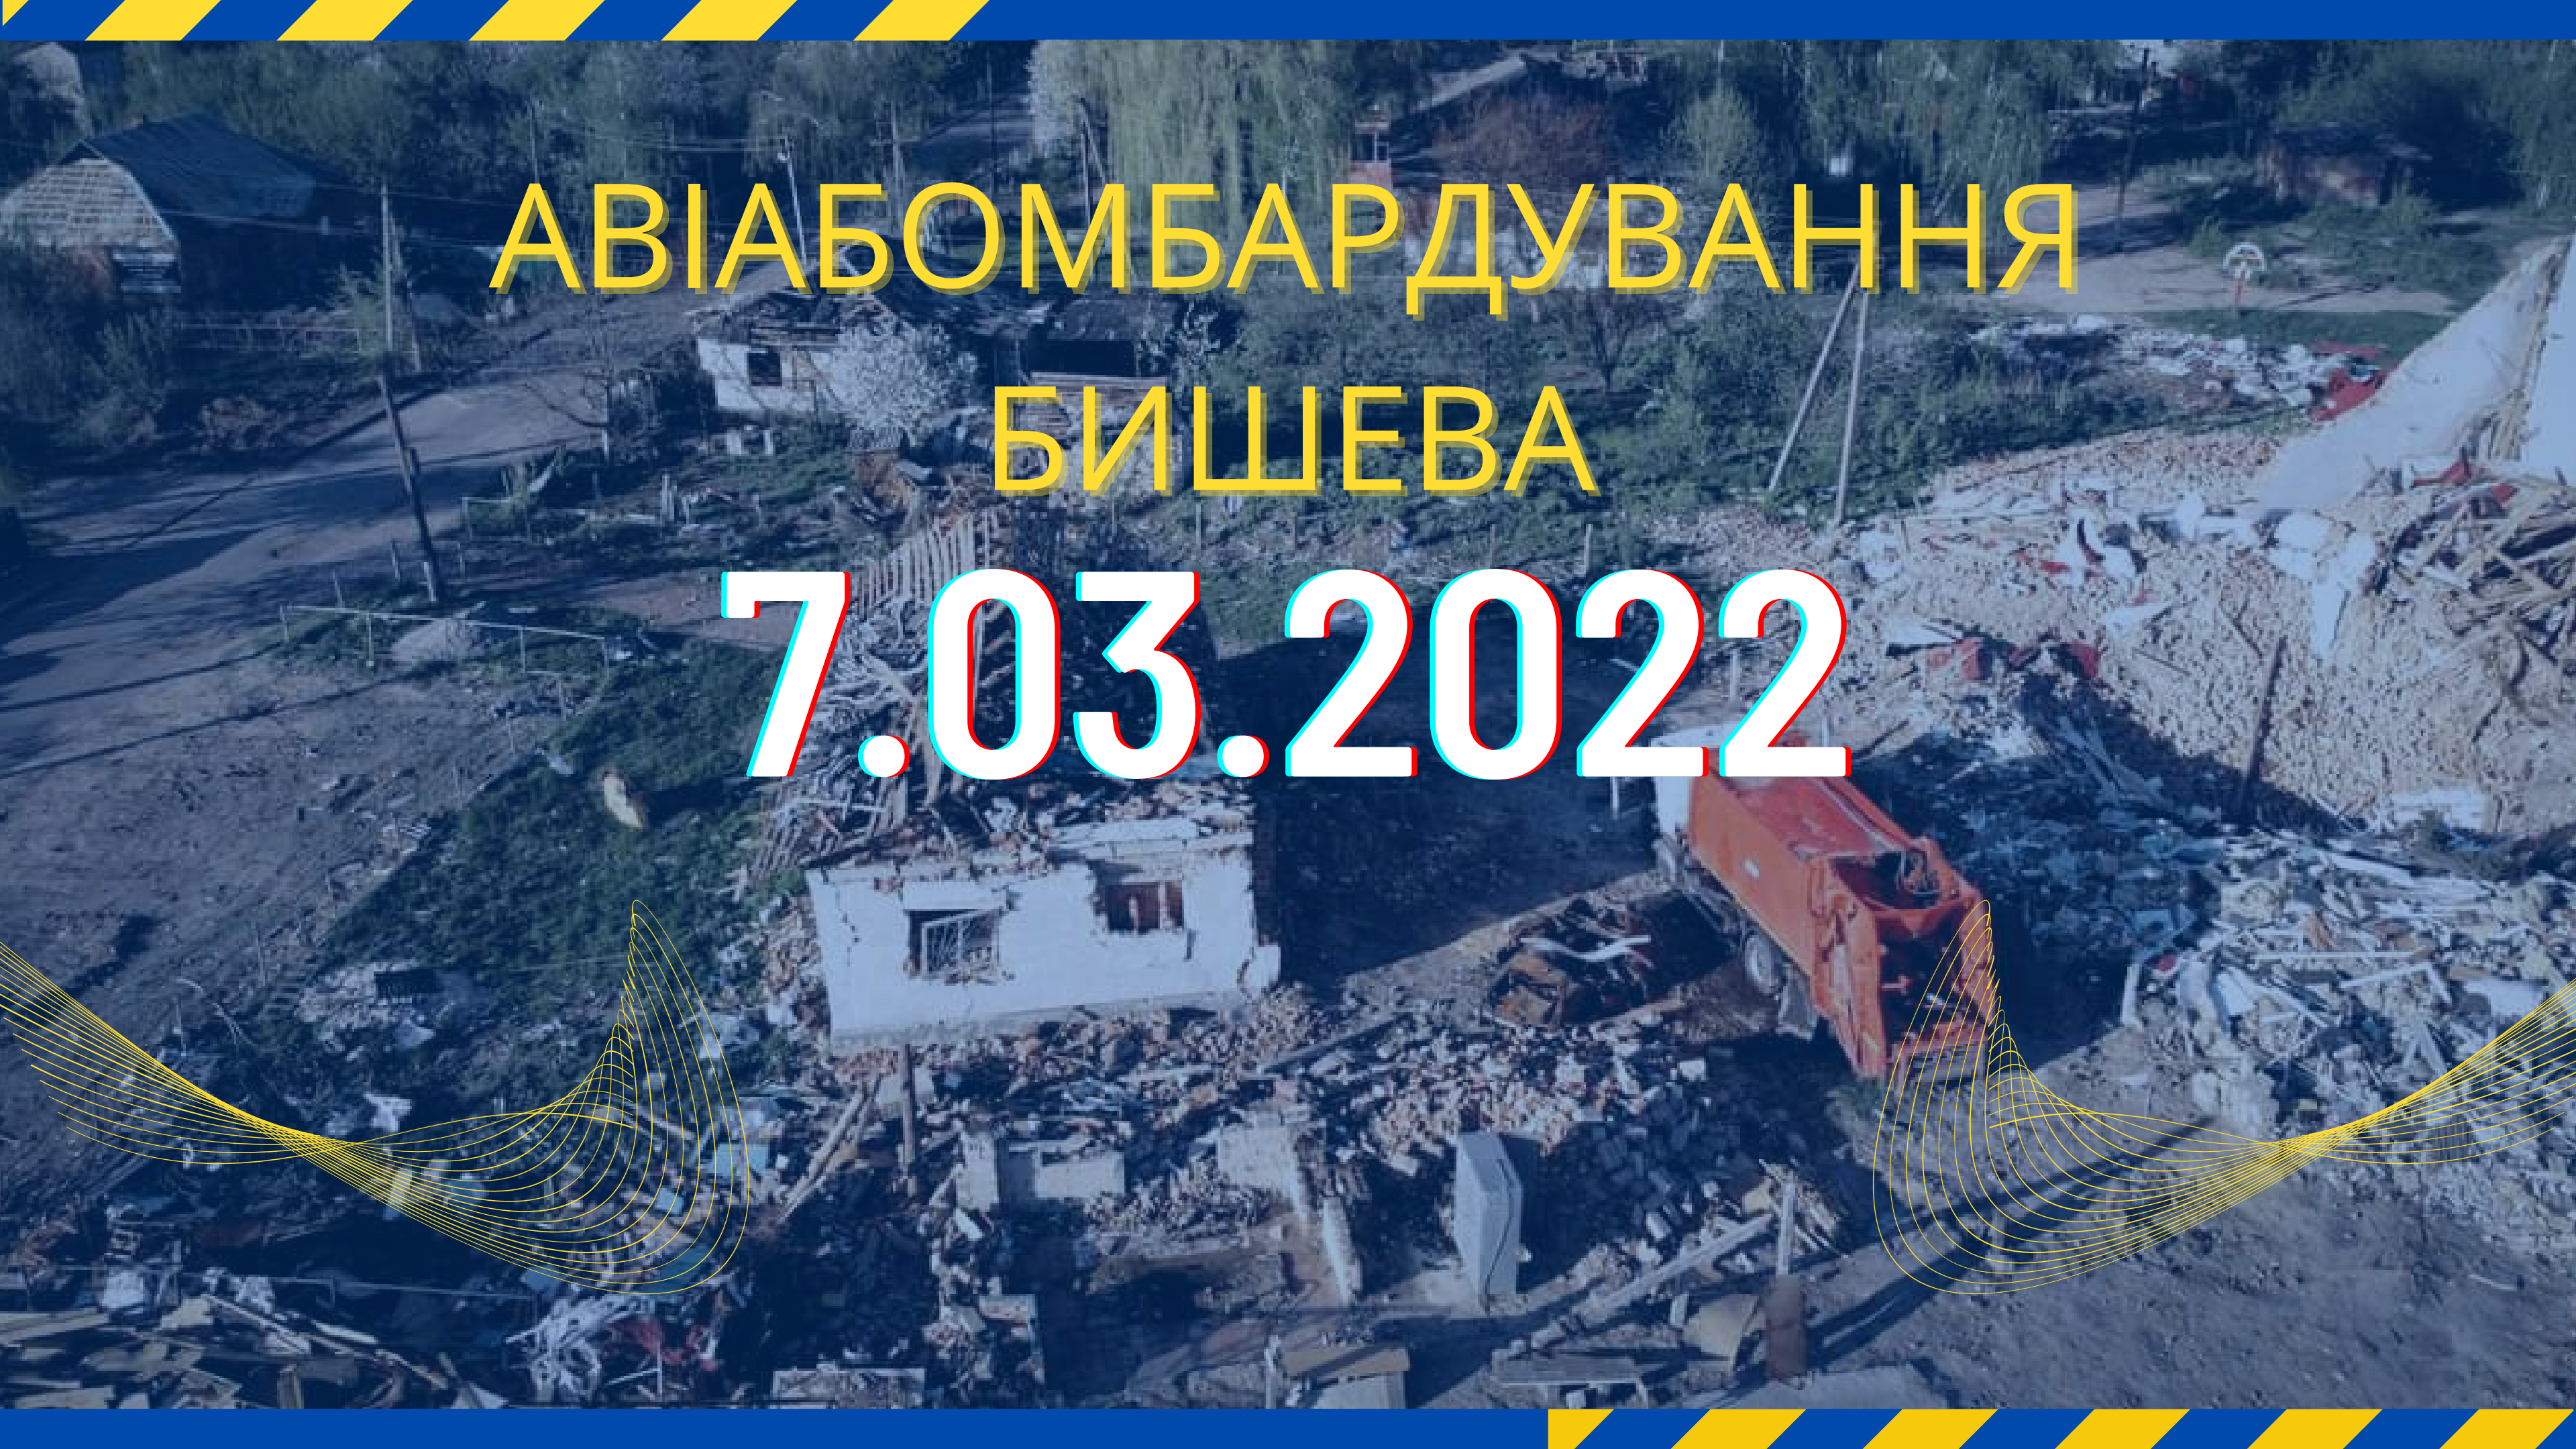

ТЕРИТОРІАЛЬНА ГРОМАДА

The background image shows a desolate scene of a town after destruction. In the center, a person in dark clothing walks away from the viewer through a field of rubble. To the left, a large tree stands next to a pile of debris. To the right, a statue of a person is visible amidst the ruins. The sky is overcast and grey. The entire image is overlaid with a semi-transparent blue filter. At the top and bottom, there are decorative borders with yellow and blue diagonal stripes.

РАКЕТНИЙ ОБСТРІЛ БИШЕВА

3.03.2022

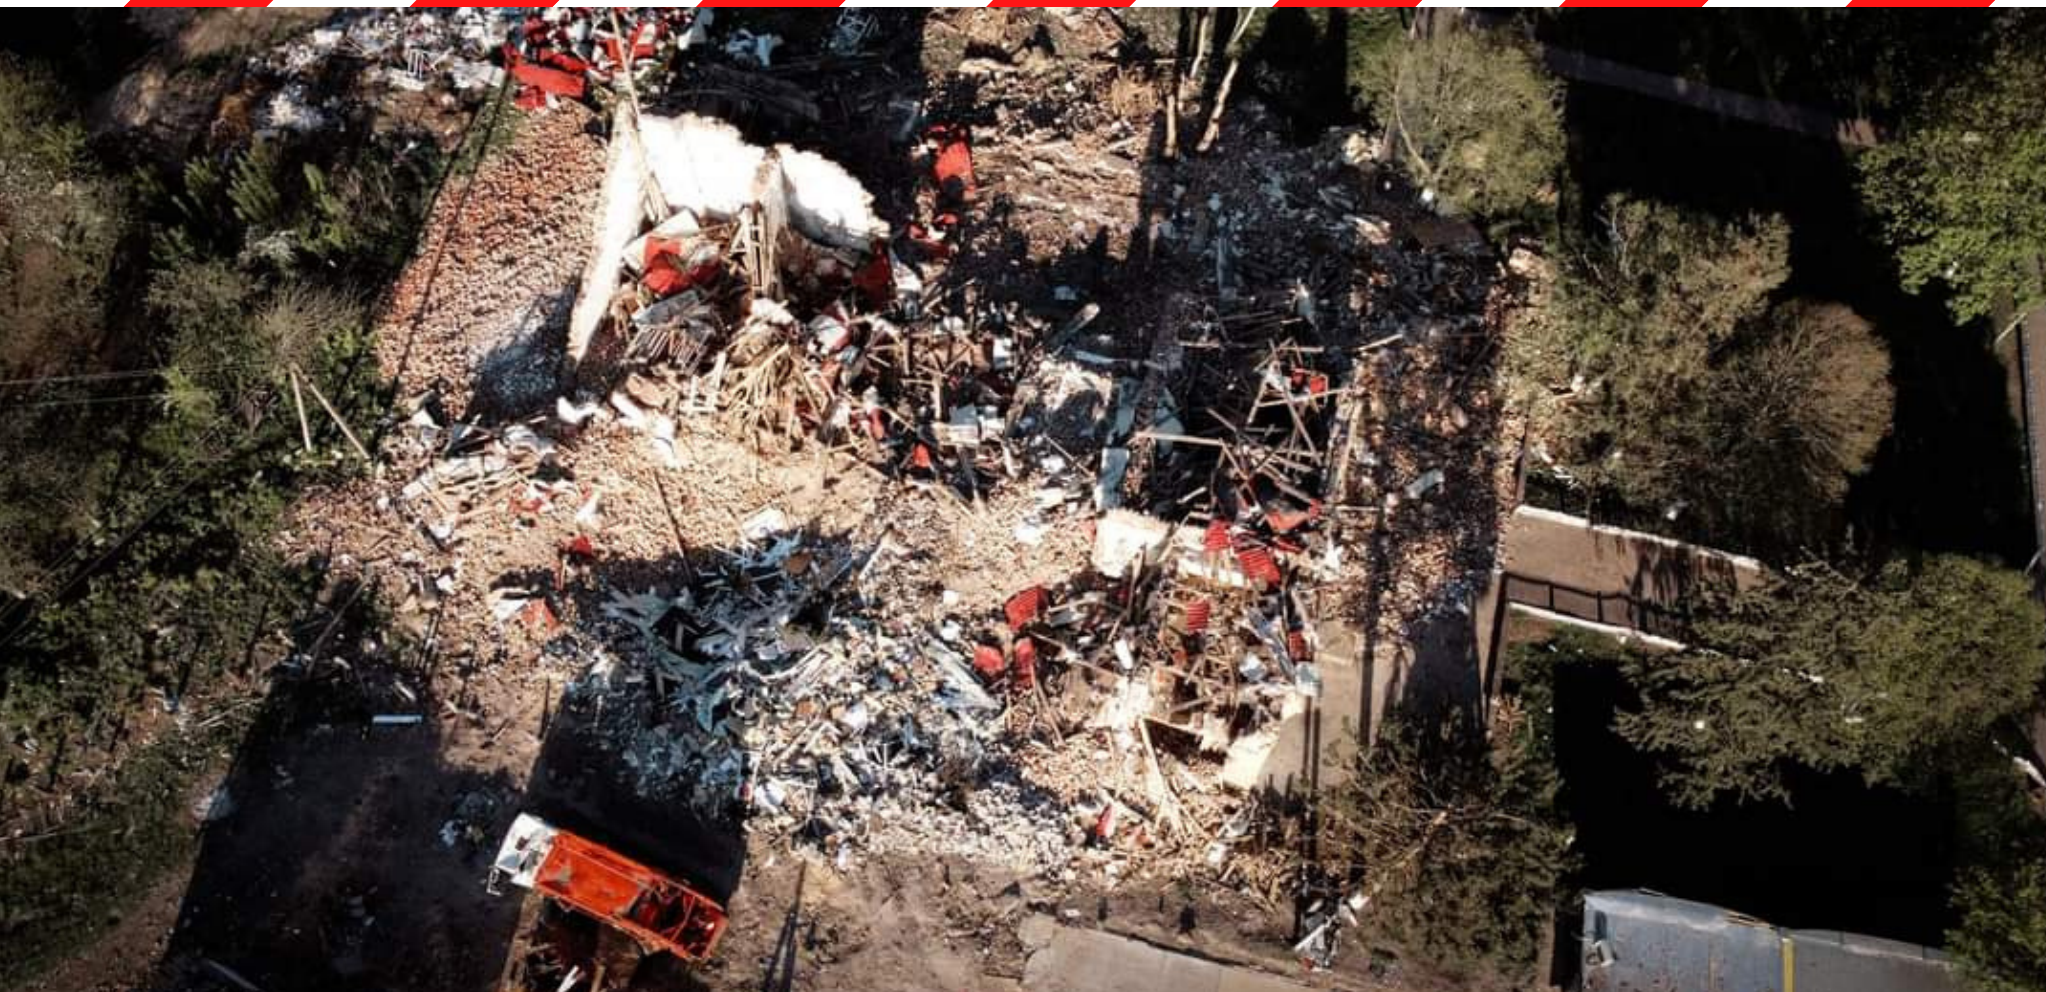

An aerial photograph of a village that has been severely damaged by bombing. The ground is covered in a thick layer of rubble, including bricks, wood, and debris. Several buildings are visible, many of which are partially destroyed or completely ruined. A red truck is parked on a dirt road in the lower right area. The background shows more trees and some intact buildings. The image has a blue tint and is framed by yellow and blue diagonal stripes at the top and bottom.
