

*Bashtanka is a territory of  
peace and sports*

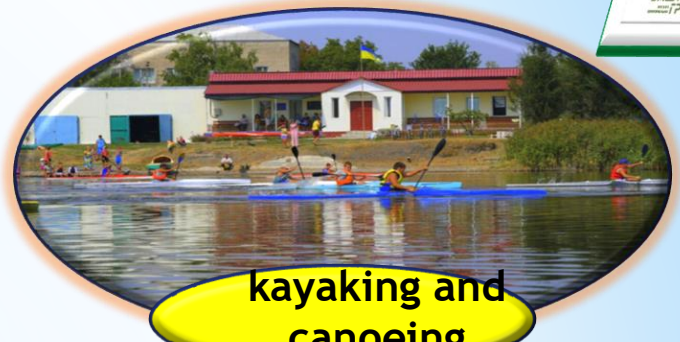

tennis

football

kayaking and canoeing

swimming

*Bashtanka Children's and Youth Sports School was founded in August 1972. This establishment was bombed and ruined in 2022 before its 50th anniversary.*

Greco-Roman wrestling

karate

basketball

weightlifting

The Children's and Youth Sports School had a tremendous impact on the creating of the system of values, the lifestyle of every resident of the community.

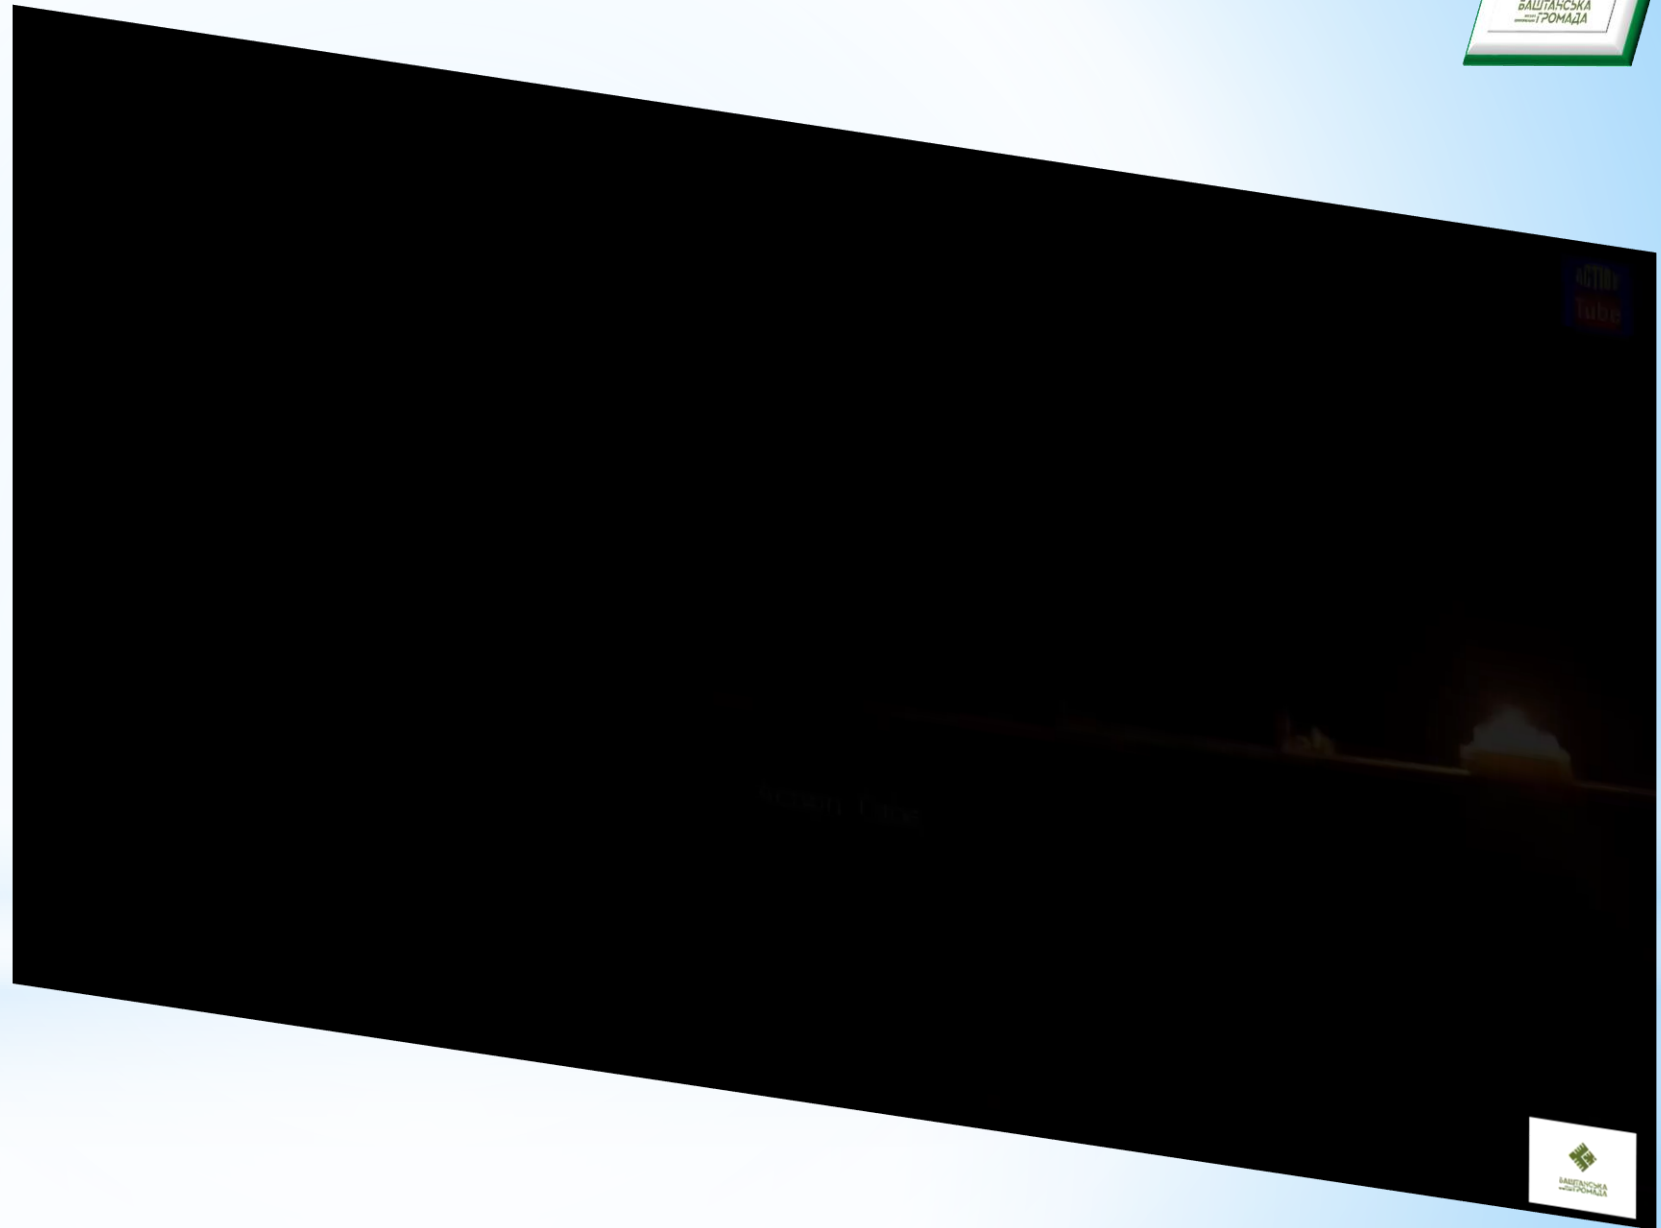

The school has brought up :

- 25 masters of sports
- 38 Champions of Ukraine
- 11 participants of world level competitions

Late at night on June 6 this establishment was bombed and ruined by the troops of the Russian Federation. As a result of that insidious attack, more than 2,500 young men and women lost their opportunity to go in for sports. The Children's and Youth Sports School was not only the place where the youth could come, relax or even chat with friends, it was the part of their soul, too

## After the implementation of the project, there will be:

- ❖ modern and safe conditions for providing an equal access and high-quality sports services will be created to children and youth of the community, regardless of their gender and state of the health
- ❖ the children and young people from families who were forced to leave their homes due to Russian aggression will be engaged in sports
- ❖ more than 50 children and youth with special needs will be able to go in for sports
- ❖ more than 600 people (simultaneously) will have the opportunity to improve their physical form
- ❖ 50 people will be employed
- ❖ football, weightlifting, rowing on kayaks and canoes, wrestling, basketball, volleyball, table tennis clubs will work. the possibility of working paid sections
- ❖ local residents will be able to go to fee-based clubs
