

Future Recovery Policy: Reforms, Plans, Forecasts

Philip Crampton, President

Recovery Construction Forum, Warsaw

Rebuild Ukraine

15 February 2023

Why is FIEC acting?

BUILDING THE CHANGE

- Together with its partners FIEC condemns Russia's invasion of Ukraine
- Need for a continuous dialogue and a reinforced cooperation
→ CBU, FIEC and its national members
- Maximise assistance to Ukraine

Why is FIEC doing?

BUILDING THE CHANGE

- Setting up of a dedicated Task Force together with EIC
- Involving other actors (e.g., EU Institutions, architects, engineers, machinery manufacturers, etc.)
- Fostering participation of companies in the rebuilding process
- Providing support in strategic economic and industrial domains

What is FIEC planning ?

BUILDING THE CHANGE

- Set of recommended principles by **FIEC**, **EIC** and **CICA**
- Setting the basis for an efficient and sustainable financing of the reconstruction phase
- Rebuilding in accordance with:
 - European standards - technical, social and environmental (e.g., energy efficiency, urban planning, smart mobility)
 - terms of international contract awarding
 - open eye on political governance

FIEC stands behind CBU and the Ukrainian people
and will provide as much assistance as possible
in the short term and during the reconstruction phase

THANK YOU FOR YOUR ATTENTION !
