COMPANY OVERVIEW

Company Dencher's has been operating in the honey market since 2015.

The main activity of the company is the export of honey and bee products to the EU.

But our flagship product is **Honey spread**. As well, we pack natural honey under our brand and private labels for stores in Ukraine.

Company has the following resources:

- Production complex, which allows to pack over 7000 tons of honey per year;
- More than 2500 suppliers of natural honey throughout Ukraine;
- Own laboratory and certification.

*Dynamics of the amount of honey exports to the EU, tons per year.

The company has implemented a food safety management system - ISO 22000:2018
