

# **THE CHAOS HOUSE**

## **services for warehouses**

**Welcome** to our professional warehouse cleaning services, where every aspect is chosen with your comfort and efficiency in mind. We understand that cleanliness and order in your warehouse are not only aesthetics, but also a guarantee of uninterrupted work and optimal functioning.

### **Our services include:**

#### **Deep Cleaning of Storage Rooms and Areas:**

- Removal of dust and dirt from all surfaces and shelves.
- Floor cleaning and disinfection to create a safe environment for the movement of workers and equipment.

#### **Space optimization:**

- Organization and tidying of shelves and warehouses.
- Cleaning and marking space for convenient and quick access to goods.

#### **Cleaning of office premises in the warehouse:**

- Cleaning of work tables, furniture and equipment.
- Removal of dust and dirt from electronics and computer equipment.

#### **Cleaning of Delivery Areas:**

- Cleaning and disinfection of receiving and sending areas of goods.
- Removal of dirt from cargo doors and frames.

#### **Improvement of Appearance:**

- Washing and cleaning facades and windows of warehouses.
- Care of the surrounding area.

Choose us so that your warehouse becomes not only a place of storage, but also an organized and safe space for efficient work.
