

# RECONSTRUCTION

OF IRPIN GYMNASIUM «OSVITA»

# ABOUT THE OBJECT

**Address:** Irpin, Pryvokzalna Square, 5

**Number of Students:** 263

**Number of Teachers:** 24

**Year of Construction:** 1999

# GYMNASIUM PROVIDES

Pre-school educational  
institution

Secondary general  
education school

Extracurricular institution

*The concept of continuous learning is implemented here*

# AFTER THE INVASION

As a result of Russia's armed aggression and active combat actions in the city in March 2022, the premises and facade of the institution were partially damaged, and windows were shattered.

## PROJECT GOAL

Reconstruction of a general educational institution that was damaged due to combat actions, following the "Build back better" principle, with an increase in the building's area and improvement of learning conditions.

# RECONSTRUCTION PROJECT

The project proposal includes a complete reconfiguration of the building, adding a 3rd floor, and installing a functional roof. It also involves building a vestibule group and a sports hall, with solar panels on the roof.

## BASEMENT
