Press Release

REBUILD UKRAINE: CONSTRUCTION & ENERGY

COOPERATE TODAY INVEST IN TOMORROW!

International exhibition and conference **REBUILD UKRAINE: CONSTRUCTION & ENERGY** will take place on 13-14 November 2025 in Warsaw, Poland, at the EXPO XXI exhibition center.

For the fifth time, ReBuild Ukraine will serve as the central meeting point for all those engaged in the major recovery project of Ukraine and will mark an important milestone on the road to URC 2026.

The main objectives of this event are to attract international financing for the recovery of Ukrainian communities, to support Ukrainian energy companies in restoring critical infrastructure damaged by military aggression, and to promote the investment potential of Ukrainian cities and regions. These areas are home to millions of displaced families and offer attractive investment opportunities.
