OFFICIAL OPENING

ACTUAL PROGRAMME

ORGANISER: PREMIER EXPER

The Official Opening of ReBuild Ukraine 2026 brings together representatives of the Ukrainian government, the European Union and international partner countries to share their vision for Ukraine's reconstruction.

The high-level briefing will highlight international cooperation, government priorities and mechanisms supporting Ukraine's recovery and long-term development.

13 NOVEMBER 2026 | 14:00-16:00
Conference Hall "UKRAINE" | Exhibition Hall 4

UKRAINIAN - POLISH BUSINESS FORUM

Win-Win: Poland and Ukraine in the Common EU Market

ACTUAL PROGRAMME

ORGANISER: European Foresight, Competitiveness and Behavioural Economics Foundation

CO-ORGANISERS: EBA European Business Association; SUP Union of Ukrainian Entrepreneurs

UNDER THE PATRONAGE: OFFICE OF THE PRESIDENT OF UKRAINE

GENERAL PARTNER: REACTIVE DRONE

PARTNER: CULVER AEROSPACE

PARTNERS: toard; MIM-KYIV

The main goal of the event is to highlight the advantages of interaction and cooperation with Ukraine for Polish businesses, the benefits for the Polish economy following Ukraine's integration into the European Union, as well as the prospects for joint investments and trade development between the two countries.

KPMG

KPMG Ukraine Gateway

Creating value through strategic support for Ukraine's recovery

Beyond maintaining a status quo, resilience is more than responding to disruption. It is about creating ties that help bring people together in difficult times, and creating practical pathways towards a sustainable future.

The KPMG Ukraine Gateway initiative connects donors, public institutions, businesses and NGOs with local insight and global expertise to support Ukraine's recovery, reconstruction and long-term development.

EU–UKRAINE INVESTMENT CONFERENCE

ON THE ROAD TO URC 2027

ACTUAL PROGRAMME

ORGANISED BY:

MINISTRY OF ECONOMY AND ENVIRONMENT OF UKRAINE

The EU–Ukraine Investment Conference brings together policymakers, investors and businesses to advance Ukraine's recovery, strengthen economic resilience and unlock new investment opportunities.

The programme explores investment and risk-mitigation instruments, business continuity, dual-use technologies and economic reforms supporting Ukraine's integration into the EU economy.

KEY TOPICS

- **Managing risk in uncertain times: safeguarding business continuity**
- **Transport solutions for short-term emergency response, Ukraine's reconstruction, and medium-term EU-Ukraine connectivity**
- **Building resilience together: One Year of Dual-Use Tech under the Ukraine Investment Framework and EU-Ukraine Defence Industrial Cooperation**
- **Reforming State Ownership in Ukraine: SOE Governance, Privatisation and the Business Environment on the Road to EU Accession**

WORKSHOPS PROGRAMME

12 NOVEMBER 2026

11:30-13:00 | Room B | Exhibition Hall 2

- **Market Awareness Workshop on "Procurement Opportunities under the Ukraine Energy Support Fund"**

12:30-13:00 | Conference Hall "ONYX" | Exhibition Hall 2

- **Information Session | Opportunities under the European Defence Industry Programme (EDIP) and the Ukraine Facility, Pillar II**

13:00-14:35 | Conference Hall "ONYX" | Exhibition Hall 2

- **The drone ecosystem: from battlefield innovation to industrial capabilities at scale**

15:30–17:30 | Room B | Exhibition Hall 2

- **Ukraine's Industrial Comeback: Machines, Capital, Markets**

15:00-16:30 | Room D | Exhibition Hall 4

- **Financing municipal infrastructure under the Ukraine Investment Framework (Access only for VH&VD categories)**

13 NOVEMBER 2026

Room B

09:30–11:00

- **Defending Critical Systems: How to Actively Protect Infrastructure in a Changing Threat Landscape**

11:15–12:45

- **Doing Business in Ukraine During the War – Resilience in Practice**

13:30–15:00

- **Integrating Western Ukraine into the European railway area**

Room C

09:30–11:00

- **The European Flagship Fund: Closing the Equity Gap for Key Investments**

11:15–12:45

- **Critical Raw Materials for European Defence Capabilities: EU–Ukraine Supply Chains from Mineral Resources to Qualified Components**

13:30–15:00

- **Rebuild Ukraine with AI: Speed, Transparency, Efficiency**

ENERGY IN ACTION brings together policymakers, financial institutions, energy companies and technology providers to turn Ukraine's energy priorities into practical solutions.

From infrastructure resilience and investment to new generation, energy storage and industrial partnerships, the conference focuses on building an energy system that works.

KEY TOPICS

- **International Business Engagement in Ukraine's Energy Recovery**
  Encouraging greater participation of foreign companies through government policies, financial incentives and industrial support
- **Energy Security & Grid Resilience**
  Building a resilient energy system and financing critical infrastructure protection
- **Investment & Industrial Partnerships**
  Unlocking finance, mitigating risks and strengthening energy supply chains
- **Oil, Gas & Nuclear Energy**
  Advancing infrastructure projects, industrial cooperation and local manufacturing
- **Power Generation, Storage & Flexibility**
  Scaling utility-scale generation, energy storage and flexible power solutions
- **Distributed Energy & Microgrids**
  Turning self-generation, aggregation and microgrids into viable business models
- **ESG & Sustainable Finance**
  Preparing energy companies for EU Taxonomy requirements and investment readiness

ACTUAL PROGRAMME

ORGANISERS:

CBU Confederation of Builders of Ukraine
PREMIER EXPO

SUPPORTED BY:

FIEC EUROPEAN CONSTRUCTION INDUSTRY FEDERATION

GENERAL PARTNER:

CREATOR BUD

STRATEGIC PARTNER

Elevion Group | MEMBER OF CEZ GROUP

Recovery Construction Forum 5.0 focuses on scaling Ukraine's reconstruction through practical housing, industrial and logistics projects.

Bringing together policymakers, investors, developers and construction industry leaders, the forum explores financing mechanisms, modern construction technologies, workforce challenges and partnerships needed to turn recovery priorities into large-scale construction projects.

KEY TOPICS

- **Housing Recovery & Large-Scale Construction**
  Moving from pilot projects to systematic housing reconstruction and development
- **Financing & Investment Mechanisms**
  Unlocking public-private partnerships, international financing and war-risk insurance
- **Modern Construction Technologies & Quality**
  Scaling industrialised construction, improving efficiency and meeting European standards
- **Workforce Development & Local Production**
  Addressing labour shortages, developing skills and strengthening Ukraine's construction capacity
- **Industrial Parks & Logistics Infrastructure**
  Developing manufacturing facilities, warehouses, logistics hubs and industrial parks
- **From Investment to Project Delivery**
  Turning investment commitments into bankable projects and construction-ready opportunities

wilo FSM wilo LIKUSTA wilo MARTIN wilo STEINHARDT

Water Recovery Forum brings together water utilities, government representatives, international financial institutions, investors and technology providers to advance the recovery of Ukraine's water sector.

The forum focuses on transforming state priorities into investment-ready projects, developing sustainable financing models and expanding public-private partnerships for long-term water infrastructure resilience.

KEY TOPICS

- **Water Sector Recovery & State Priorities**
  Aligning national recovery priorities with investment opportunities and sector needs
- **Corporatization & Utility Governance**
  Exploring sustainable financial models and stronger management of water utilities
- **Public-Private Partnerships**
  Creating conditions for private capital participation in water infrastructure
- **Financing Water Infrastructure Recovery**
  Mobilising international finance and moving projects from concept to financial close
- **From Donor Aid to Sustainable Investment**
  Shifting from grant-dependent recovery to long-term investment models
- **Investment-Ready Water Projects**
  Preparing viable projects that attract financing and support infrastructure modernisation

Solar BESS Grid Forum brings together investors, financial institutions, energy companies and technology providers to accelerate investment in Ukraine's solar energy, battery storage and grid infrastructure.

The forum explores financing opportunities, innovative technologies, energy security and market integration, turning renewable energy projects into viable investments.

KEY TOPICS

- **Solar Energy Investment & Development**
  Unlocking opportunities for new solar PV projects and large-scale deployment
- **Financing & War-Risk Mitigation**
  Accessing bank financing, international lending and insurance instruments for energy projects
- **Battery Storage & Energy Security**
  Exploring profitable BESS solutions, innovative technologies and greater grid resilience
- **Grid Development & Connection**
  Addressing grid infrastructure, connection challenges and renewable energy integration
- **Regulation & EU Market Integration**
  Advancing investment frameworks, legislative initiatives and EU–Ukraine electricity market coupling
- **Technology & International Experience**
  Applying advanced solar and storage solutions and lessons from European markets
