WHO WE ARE?

The Enterprise Academy is the leading Enterprise education CIC in the UK, we work with young people in formal and informal settings including out-of-school settings, activity provisions, NCS programmes, HAF programmes and schools and PRU's.

The Enterprise Academy aims to empower and inspire every young person through enterprise education, giving them the skills and motivation to make and create change.

Our programmes focus on Enterprise in its broadest sense encouraging young people to think innovatively, see opportunities in the every day, think outside of the box, make and create, work as a team, speak and lead.

The Enterprise Academy are looking to partner with organisations looking to meet their social value and CSR goals through the delivery of high impact life skills programmes with young people.

CSR/ SVA Partnership

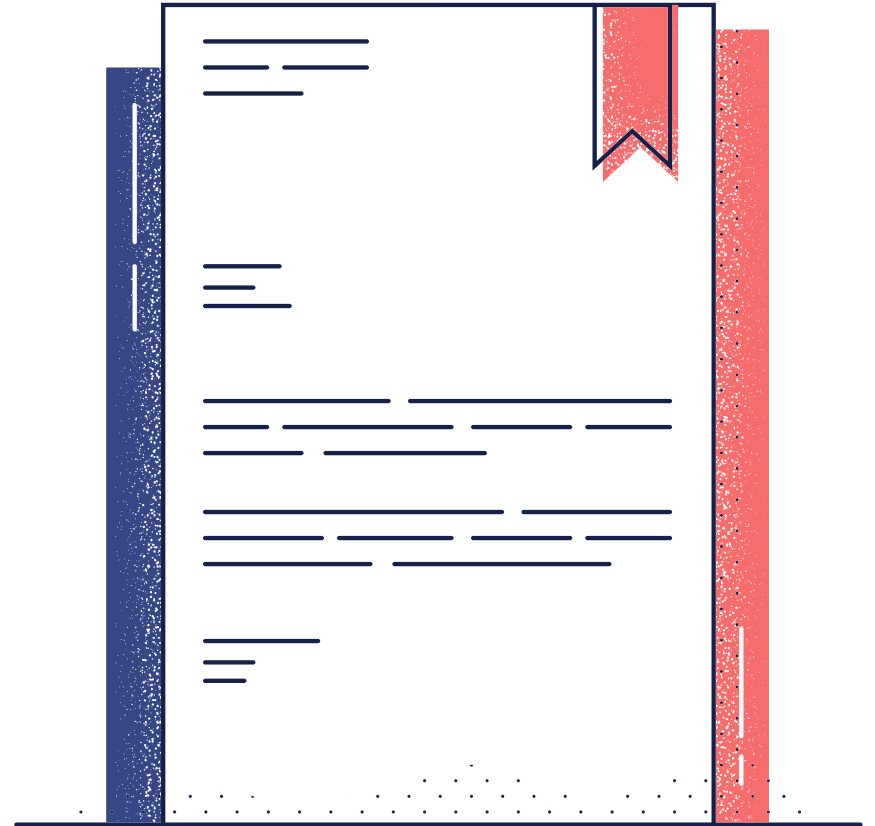

KEY THEMES AND OUTCOMES

Covid-19 recovery: Help local communities manage and recover from Covid-19
