

Documents for submitting a Loan Request to the bank.

Individual Entrepreneurs (or Sole Proprietors).

1. Borrower's Application for a loan.
2. Borrower's passport and the passport of the Borrower's spouse (if married).
3. Document that certifies taxpayer's registration number of the Borrower and his/her spouse.
4. Marriage certificate (or divorce certificate if available).
5. Certificate from the Employer (main and part-time) indicating the position, accrued and disposable income of the Borrower within the previous six months of work. The Certificate must be certified by the company's seal and signed by the Head/Director of the company and Chief Accountant.
6. It is also recommended to prepare documents which confirm Borrower's other sources of income (if there are any besides the main place of work).
7. An invoice from a car dealership.
8. Other documents at the request of a banking institution (including documents that confirm Borrower's financial and asset-related obligations, if any (loan agreement/pledge agreement and a bank certificate on the amount of outstanding debt as of the date of consideration)).
9. Tax declaration of a sole proprietor under the simplified tax system for the relevant reporting periods, stamped by the State Tax Inspection.
10. Bank statement of the sole proprietor's account for the previous 12 months.

** Please note: the presence of the Spouse when signing the loan agreement in the bank is mandatory.*
