OUR EXPERIENCE

The Irpin Central City Hospital is the only medical facility in the community that provides specialised medical care for patients with serious illnesses

The facility serves about **150,000 people** in Irpin and nearby communities

In a record time of **20 days** during the COVID pandemic, the infectious diseases department of Irpin City Hospital was reconstructed

Irpin doctors **worked under shelling in February-March 2022**, saving lives, delivering babies and burying the dead in Irpin and Bucha

Anton Dovgopol, Director of Irpin City Hospital, was awarded the «**Honored Doctor of Ukraine**» award

PROJECT GOAL

Establishment of a powerful national-level institution for the provision of medical rehabilitation services in state and private partnership

CONSTRUCTION OF A REHABILITATION CENTER IN IRPIN

ENGINEERING

Irpin rehabilitation centre will be able to accommodate up to

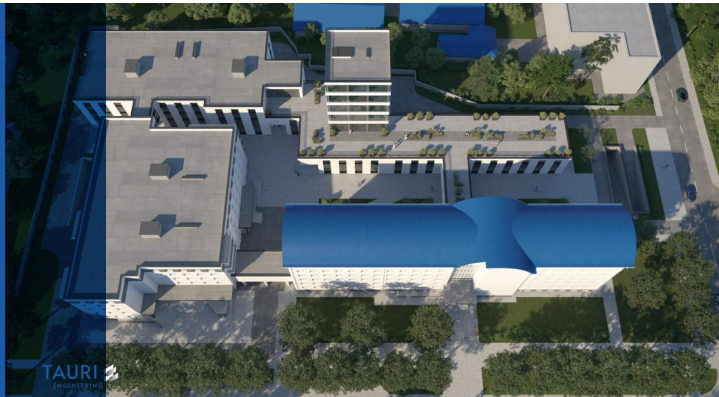

to **300** patients
per day

EXPECTED RESULT

Construction of Irpin Rehabilitation Centre
to provide medical and rehabilitation
services

to **500 000**
ukrainians

TAURI
ENGINEERING

COST ESTIMATE

Preliminary cost of construction including
equipment and all necessary facilities

€ 18 332 000

COST ESTIMATE

**CONSTRUCTION
COST**

€ 9 166 000

**ARRANGEMENT OF
NETWORKS**

€ 206 000

**DEVELOPMENT OF DESIGN
AND ESTIMATE
DOCUMENTATION**

€ 12 000

**EQUIPMENT AND
MACHINERY**

€ 6 874 000

OTHER EQUIPMENT

€ 300 000

**LANDSCAPING AND
GARDENING**

€ 2 74 000

UNITING FOR THE SAKE OF RECONSTRUCTION

HOW TO HELP IMPLEMENT THE PROJECT?

**Support
financially**

**Provide
construction
materials**

**Provide
medical
equipment**

**Provide
professional
support**

**Provide
technical
support**
