## OUR MISSION —

**Explera Vacations ( Thailand ) DMC** mission is to provide quality service in the tourism and hospitality industry. Meeting your needs timely and efficiently

We base our endeavours on the following

**1. Prompt service delivery**

**2. Regular staff training.**

**3. Competitive pricing of services**

**4. Progressive programming & strategies aimed at motivating our employees to achieve their best which should translate into unique and memorable experiences for our partners and clients.**

EXPERIENCE THE EXCITEMENT

## UNIQUENESS

We offer you Thailand from Thailand. We do not believe in remote controlling the business, Our motive is to experience and provide. Our staff is based on the ground locally and with us you can see and experience Thailand as a local. We always have another option when it comes to choices. Our staff between them speak / English / Hindi / Gujarati / Punjabi / Russian / and Thai and have a combined ground experience of decades.

We take local cultural sensitivities of our hosts and guests into consideration before selling our experiences.
