PERFECT SOLUTION IF

YOU PRIORITIZE COST EFFICIENCY:

Pay only for completed flights and operational tasks, avoiding overhead costs of maintaining an in-house team while ensuring a cost-effective solution.

YOU REQUIRE COMPREHENSIVE FLIGHT SUPPORT:

From flight planning to crew management, we handle all operational aspects seamlessly.

YOUR OPERATIONAL NEEDS VARY:

Outsource flight operations to manage busy periods, cut costs, and keep things running smoothly when workload goes up and down.

YOU FACE STAFFING AND TURNOVER ISSUES:

Ensure continuity and stability by minimizing disruptions and eliminating the need for constant recruitment and training.

WHY WORK WITH US

CUSTOMER-CENTRIC APPROACH

We act fast and quickly adapt to your changes in flights schedule, destination or crew needs.

SUBSTANTIAL SAVINGS

You'll pay a fixed rate per flight instead of paying monthly salaries to dispatchers, office rent, and related costs,

EXPERTISE

All our OCC staff are licensed professionals with years of experience. Over the years, our team has gained valuable experience and strong connections with authorities. It can efficiently handle up to 1,000 legs monthly. We uphold the highest standards of safety and efficiency.

URGENT CHARTERS EXPERIENCE

Our experience in urgent charters ensures fast, efficient flights. We handle tight deadlines, coordinate with third parties, and manage logistics, so you get a reliable OCC team.

ABOUT US

Founded in 2018, AVEM AERO is an Estonian company established by professionals with extensive experience in sales and organization of cargo charters across multiple airlines. Our expertise in building charter departments and the OCC team laid the foundation for AVEM AERO. Our mission is to deliver proactive, profitable, and customer-focused aviation solutions. Backed by real-world experience, a dedicated team, and innovative software tools, we ensure that our services are not just promises but are supported by proven results and advanced technology.

- Handle up to 1000 legs/month
- Over 2,600 cargo charters are performed
- Over 52,000 passenger flights are handled
- Over 900 ad-hoc flights are performed with 2 hours short notice before departure
