

- The online survey was administered between Oct. 15, 2024 and Dec. 24, 2024
- The survey was available online and promoted at events
- NFTA received 522 responses
- Feedback was tracked to ensure it came from residents within the corridor. The map on the right shows respondent locations by zip code
- Below are highlights from the survey

"Buses are too infrequent, especially at night and on weekends."

Survey Respondent

"Sometimes it takes a long time to wait for a bus and there aren't enough seats at the bus stops, so you have to stand for long periods of time."

Survey Respondent

"Please bring more trees, plants, and art to Bailey along with garbage cans and less litter."

Survey Respondent

66% of respondents travel on Bailey Avenue a few times a week or more

57% of respondents use NFTA-Metro a few times a week or more

60% of respondents use the bus as their primary mode of travel

33% of respondents indicated **more buses** per hour as the thing they want to see most in the corridor

36% of respondents want a **clean, well-lit shelter**

Community members chose **accessibility** for those with mobility limitations as their greatest want

The **top three improvements** desired for Bailey Ave are faster buses (20%), calmer traffic (20%), and more buses (19%)
