KINDNESS**

SERGIO

Hi! We are **SERGIO**, a family-owned Ukrainian company founded in 2010.

We are producing the most incredible fruit snacks!

Our journey has begun in a small garden.

That's when our founder Olena Bolshakova dried her first apples with her mom.

The unbelievable taste achieved with just one simple and healthy ingredient sparked a mission in her heart.

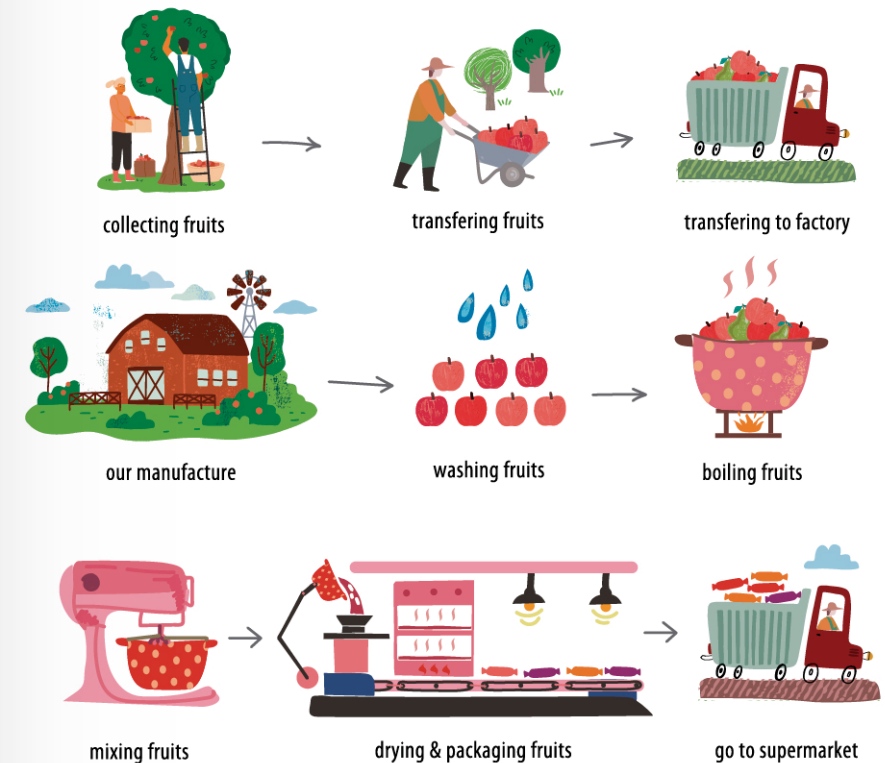

For over 14 years we are making products that we feel proud about, and that make everyone eat better, feel better and enjoy a healthy and vibrant lifestyle easily.

We lovingly create our products according to our own unique family recipes and technologies.

Our delicious fruit bars and other natural snacks are already known and loved in many European countries.
