Scholarship Update

The Scholarship Committee has awarded many St. Paul students with scholarships over the years. It has been some time since we had a scholarship application and there are no potential candidates in the near future. At the last meeting we decided to put the scholarship committee on hiatus.

The current scholarship funds have been awarded to Alexander Murry and Hayden Murry for their college expenses. Xander is graduating this year and Hayden has two more years. Both Xander and Hayden expressed their gratitude for the support of their St. Paul family as a place of faith-building community and encouragement.

Please read their thank-you letters on the board near the elevator.

Let's have a Summer of Giving

We are resurrecting the Loose Change Jar after receiving suggestions by several congregation members to help support our Care Closet Program.

The Care Closet provides things such as McDonalds food cards, gas cards and bus passes. We also partner with the "Youth2Youth 4 Change" that routinely donates sleeping bags, tents, laundry packets and personal care items.

People in our community have fallen on hard times and many of the things in our care closet are given out regularly. We record all the items that we give out by name of the person, and we limit the number that each person can receive to make it fair for everybody.

We are re-starting the **Sunday Loose Change Jar** program in June to run for the summer. Look for the container in the back of church. We are happy to help you recycle your loose change each week.
