TYKHO's influencer of the year!
We love you back, Evhen!

Our Ohana didn't just grow — it has bloomed!

Lots of new friends has come along
and we hope they are here to stay!
We are more than grateful to have them!

Plans for 2026

- be a part of the light
- go deeper into our philosophy
 - be ourselves and grow
- inspire, dream, make dreams come true – ours and yours
 - keep showing up

**Everything else – we'll
talk about when it's done.**

Yours, with great love – the Tykho Ohana
