The Northern Challenge Soccer Tournament is set to take place from August 22–24, 2025, at the Prince George Rotary Fields. This inaugural event is designed to celebrate the spirit of Northern soccer while welcoming teams from across the region and beyond. Whether you're from Whitehorse, Langley, Edmonton, or anywhere in between, we invite you to join us for a weekend of thrilling competition, community spirit, and memorable experiences. With divisions for U10 to U16 teams, the tournament offers a range of formats, including Super-8 for younger players up to U13 and full 11-a-side matches for older divisions, ensuring an exciting challenge for all participants.

The Northern Challenge isn't just a tournament—it's an opportunity to connect soccer communities and showcase the talent and dedication of players from all over Western Canada and beyond. While this event highlights the pride of Northern BC, it's open to all teams looking for a competitive yet welcoming environment.
