

# OLENA CHEPURNA

Screenwriter • Story Consultant • IP Creator

---

## PROFILE

Award-winning screenwriter and story consultant with a background in literature, translation, and language education.

Creator of original cinematic IP designed for film franchises, series, and cross-media storytelling. Author of two original trilogies and multiple feature-length screenplays.

Experienced in screenplay development, story analysis, and narrative structure, with a strong focus on emotional storytelling, psychological depth, and scalable story worlds.

Founder of an English language school and creator of film-based learning programs, combining storytelling, education, and visual media.

---
