Handwriting

Впевненість у собі та оптимізм - запорука успіху. Впевненість допомагає подолати труднощі, перетворити їх на виклики і досягти успіху. А оптимізм не дозволяє розкисати, зупинитися на місці.

Message to the future child

Self-confidence and optimism are the key to success. Confidence will help you achieve your goals and never give up while optimism will not let you break down if something doesn't work out.
