SIDU Sofa

SIDU Sofa

When users need it for collaboration or study and office work, they can freely use various modules to combine to form a space for office and creation.

SIDU Sofa

Buildings make it ordered for a city as well as sofa system elements. City series provides different single elements to group that you can get any combination you want to fit your space perfectly. Like a "city" in your space, every seating element is invested with their function and lies there orderly

SIDU Sofa

City series consists four parts from a sofa: seat element, armrest element, back element and pouf element, that you can combine them as you like to fit any space if you require.

SIDU Sofa

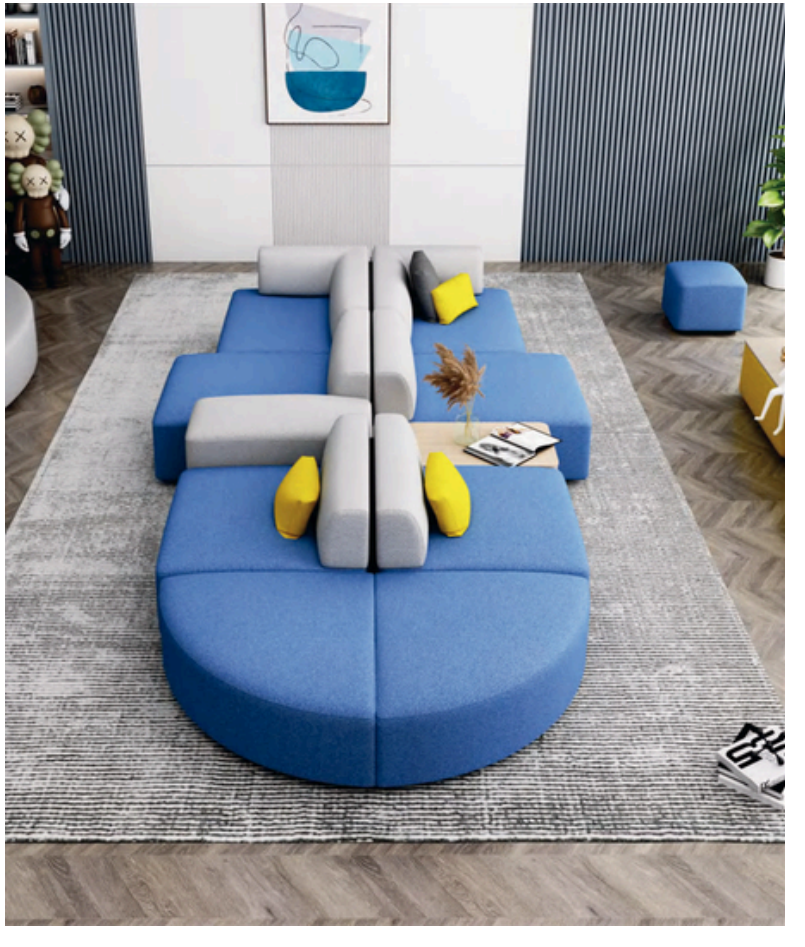

SIDU Sofa

For the convenience of cleaning, Designer changes the material of the bottom part to leather.

SIDU Sofa

It can be scattered at will, or placed in groups of twos and threes,
so as to embellish the space and match different spaces.

SIDU Sofa

A modular sofa set that can adapt to different space layouts.
Through the combination of modules, sofa sets of different shapes
and sizes can be formed, which can be placed in leisure areas,
tea areas, reception areas and other spaces.
